Kittson Healthcare

MyChart patients:

Effective September 21, Sanford Health switched their billing to electronic/paperless statements through the MyChart application.

This means that ALL KITTSOON HEALTHCARE MyChart users billing will be paperless on MyChart unless you turn off this feature in your MyChart application.

This can only be done by the guarantor, or account holder.

If the guarantor does not have an active MyChart, but anyone under this guarantor does, the guarantor will need to set up a MyChart account which can be done by going to www.Sanfordhealth.org and clicking the My Sanford Chart link that will take you to the My Sanford Chart sign up page where you will click on the "Sign Up Online."

Although Kittson Healthcare is not a Sanford facility, we do use their MyChart application and therefore are unable to opt out of this recent billing change.

If you have any questions regarding this change in billing, please call the Business Office 218.843.3612; Hallock Clinic Registration 218.843.2165 or Karlstad Clinic Registration 218.436.2251 and we would be happy to assist you.
